## Pastor's Corner

*"If you are traveling on May 26, that day may or may not be a Holy Day of Obligation for you, depending on what part of the country you are in."*

- Fr. Bill

### Solemnity of the Ascension of the Lord May 29

Your calendar may indicate that Thursday, May 26 is the Solemnity of the Ascension. In some parts of the world it is, but not on the west coast of the United States. Here, this solemnity has been transferred to the 7<sup>th</sup> Sunday of Easter, May 29. In some parts of the world, the Ascension is also a civic holiday, making it easier to attend Mass. The United States bishops could not agree on the best date to celebrate the Ascension, so it was left up to the different regions of our country. If you are traveling on May 26, that day may or may not be a Holy Day of Obligation for you, depending on what part of the country you are in.

-Fr. Bill

### A Prayer for Mental Health Awareness (May is Mental Health Awareness Month)

O God of Light and Knowledge – we pray that darkness, fear and ignorance about serious mental illnesses might be dispelled by the light of knowledge.

We pray for Peace and Wholeness – for those with troubled minds and hearts, that broken lives and relationships might be mended.

We ask for Understanding – that the walls of stigma, labels, exclusion and marginalization might be broken down through education and advocacy.

We pray for Healing – for men, women and children living with mental illness, for better treatment, for steadier recovery, for greater opportunity to work and serve.

We ask for Faith and Hope – for those who feel no one cares. Dispel their despair through a cup of cold water, an outstretched arm, a listening ear, a committed advocate.

We offer Thanks – for new discoveries in medical research, for faithful caregivers, for dedicated mental health professionals and persistent researchers.

Most of all, O God of Steadfast Love, we thank you for your Love – that sustains the weary, that defends the weak, that sets the lonely in families, that brings beauty out of ashes, that brings a song in the night; that inspires courage to hope, to watch, to work for a new and brighter Day.

AMEN!

Fr. Bill

### 2022 World Day of Migrants & Refugees Theme Introduced

This month Pope Francis introduced the theme for the 2022 World Day of Migrants & Refugees: *Building the future with migrants and refugees*. The

Church has been celebrating the World Day of Migrants and Refugees (WDMR) since 1914. It is always an occasion to express concern for different vulnerable people on the move; to pray for them as they face many challenges; and to increase awareness about the opportunities that migration offers. **Every year the WDMR is the last Sunday of September**, this year falling on September 25. Over the weeks and months to come, we will be breaking open this theme and invite you to pray for the millions of migrants and refugees in the world.

**Unity in Diversity.**

Dear Brothers and Sisters in Christ,

I am grateful for the many wonderful families and individuals who make up our parish communities across all of Western Washington. During these challenging times of uncertainty, one thing is certain: As people of faith we can bring the light of Christ to others by renewing our relationship with Jesus and embracing the mission of his Church. Together, we can be Christ to others!

Every year, I ask you to join me in making a gift to the Annual Catholic Appeal to support our dedicated priests, deacons, religious women and lay ministers who nourish us through the ministry of Christ by serving all God's people in our region — in person and virtually.

Please prayerfully consider making a sacrificial gift to the Annual Catholic Appeal to continue our pastoral work for the people and parishes of the Archdiocese of Seattle. Your gift to the ACA will help us continue to serve our brothers and sisters across Western Washington.

Please know that I continue to pray for you. May God bless you abundantly for your kindness and generosity.

In the Heart of Christ,

Most Rev. Paul D. Etienne, DD, STL
